Lucky Larry has Brain Surgery

Written & Directed by Brett Lane

Lucky Larry has been diagnosed with a problem in his brain. The doctors who detected it rushed him in to the RBH for some life-saving surgery. Larry is feeling very lucky as it could well have gone unnoticed and could have been fatal. Larry has a positive and philosophical view on life at the moment and is not going to let anything make him feel down. Larry is a die-hard Blues supporter and is looking forward to the big game tonight even though it's going to be in a Queensland hospital!

LUCKY LARRY - NIC CHONG.
